Salt Lake City, UT, Dec. 14, 2023 – It's the Season of Giving and [Maverik — Adventure's First Stop](#)'s customers were especially kind, rounding up their cash and credit transactions to the nearest dollar or more at Maverik stores across 12 states. Generous donations raised \$323,254, which will be donated to Feeding America®, the nation's largest domestic hunger-relief organization. The funds will strengthen Maverik's direct donation of \$250,000 to kick off the campaign, totaling \$573,254 donated this year.

"We've teamed up with Feeding America to activate our Round Up Your Change campaign for the third straight fall season, and the kindness of our customers continues to overwhelm us!" said Chuck Maggelet, CEO and Chief Adventure Guide of Maverik. "Local hunger remains a critical issue for our neighbors and Maverik is proud to work together to help make a difference."

Ninety percent of customer donations that were raised locally will stay local, with each region's collections going to serve food banks that assist people in the same region. Maverik's donations will be distributed to 16 Feeding America partner food banks across 12 western states where Maverik operates. The remaining donation will support Feeding America's national strategies to help end hunger in America.
